

CLASSICO

CLASSICO; Functionality and design: This is LECHUZA. CLASSICO planters come in 6 sizes and a variety of colours.

Include the LECHUZA-coaster, and your plants become mobile! It almost disappears under CLASSICO models. The five stable rollers make it easy to move up to 180kg.

The sub-irrigation system takes care of your plants for up to 3 weeks, ensuring that they receive the right amount of water and nutrients they need for optimum growth.
